WP8: Staff and User Training

10th October, 2019

Author: Thomas Holm Rod, European Spallation Source ERIC

Agenda

- **Work package update (Thomas)**
- **Update from each partner (all)**
- **Discussion**
  - WP meeting at annual meeting
  - Is there basis for one?
  - Agenda
- **Workshop beginning of next year?**
- **Partners' engagement and commitment**
- **Moving to monthly VC meetings?**
- **AoB**

Objectives

1. Provide *infrastructure* for e-learning

2. *Staff training* in data stewardship and e-learning platform

3. *User training* in PaNOSC services and facilities

Ressource allocation

- **ESS and ELI to do most of the work**

- **But *everybody* are involved**

    … and we also depend on other work packages

Project updates

- **ESS slowly working on migrating e-learning platform to ESS (in collaboration with DTU and UCPH)**
- **Tentative suggestion for how to integrate Jupyter technology**
- **Meeting with ExPaNDS partners:**
  - They will try to get overview of existing training materials
  - They would like to collaborate closely with PaNOSC

- Interim milestones & KPIs defined. Please have a look and see if you agree.
  - **Milestones**: https://github.com/panosc-eu/panosc/blob/master/Work%20Packages/WP1%20Management/Plans/PANOSC%20Tasks%2C%20Deliverables%20and%20Milestones.docx

Near future

- **Rapidly approaching phase of staff training**

  - Kickoff meeting: All partners provide input as to which courses they would like to see (in the e-learning platform).

  - Next annual meeting: Discussion of upcomming workshop and feedback from facilities

  - We will have a joint WP5-8 meeting (but in which format we do not know yet).

Thank you
